

Armstrong Museum "Space Race"

1) How old will Neil Armstrong turn on his birthday this year?

2) In what year did people first land on the moon?

3) How many female astronauts have there been from Ohio?

4) What is "Sputnik?"

5) What is the short version of the name of America's space agency?

6) What company in Wapakoneta made things for the Apollo Program?

7) What was the name of the rocket used for Apollo 11?

8) How much less did the Apollo suit weigh on the moon than on Earth?

9) Locate the moon rock. Now use 3 words to describe it.

10) What is one "space invention" that you use in everyday life?
